

Association Section - Documents

1. To see your community's records, documents, and forms, click on "Documents" under the Association tab of the left-hand menu.

2. Click the downward-facing arrow beside any folder to "open" the folder and show the documents in that file.

3. Click on any document to open it as a PDF in a new window from which it can be saved or printed.

If you are looking for any documents that do not appear on this page, Submit a Request to find out how you can receive those documents.

4. Keep in mind: if you do not click on the arrows beside the folders, the folders will not open.
